

TRIBUTE TO AARON KLING

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 5, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Aaron Kling, a member of the 2016 Iowa Boys 2A State Golf Tournament Championship Team.

Aaron, and his teammates at Panorama High School, persevered through a tough season. With steady and consistent play at the state tournament, these students showed the state of Iowa that they were worthy of a state championship two years in a row.

Mr. Speaker, Aaron's determination, hard work, commitment and team work is what contributed to the stellar success of his team. His willingness to give it his best effort is what will be valuable later in life and I am honored to represent Aaron in the United States Congress. I ask my colleagues in the United States House of Representatives join me in congratulating Aaron Kling and his team for competing and winning this rigorous competition. We all share in wishing him nothing but continued success.

IN RECOGNITION OF THE LEESBURG COMPOSITE SQUADRON
AND THE CIVIL AIR PATROL

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 5, 2016

Mrs. COMSTOCK. Mr. Speaker, I rise to acknowledge the Civil Air Patrol (CAP) which is celebrating its 75th year of service to this country as an auxiliary of the United States Air Force. The Civil Air Patrol helps bring together citizens with a passion for aviation to volunteer in defense of our great nation. Furthermore, in light of the approaching appointment of its new squadron commander, I would like to specifically acknowledge the Leesburg Composite Squadron, of Leesburg, Virginia, for its exemplary service as part of the CAP, not only through its performance of duties such as search and rescue and disaster relief, but also through promoting community service, leadership, and health in our youth.

The Civil Air Patrol has a rich history beginning in the wake of the attacks on Pearl Harbor where over 150,000 brave citizens offered themselves towards answering the nation's call to arms. These volunteers provided essential assistance to the U.S. War Department, logging over 500,000 hours of flight time during the Second World War alone. Their service helped rescue hundreds of crash victims and sink several enemy submarines.

The Leesburg Composite Squadron of the CAP traces its roots back to 1973, under the vision of Captain Dorothy Tuller, and has continued to uphold the values and reputation set by the original CAP volunteers. They have displayed integrity, professionalism, and excellence in the performance of their duties and this is reflected by the institution's growth from under 40 volunteers to its present day size of over 100 cadets and 68 senior staff. They are more than worthy of their motto 'Citizens Serving Communities'.

Mr. Speaker, these fine men and women embody the greatest strengths of our nation through their service and sacrifice and make me proud to call myself an American. I ask that my colleagues join me in congratulating the Civil Air Patrol and the Leesburg Composite Squadron for all their achievements, and wishing its new commander good luck in all their future endeavors.

IN RECOGNITION OF STERLING
VOLUNTEER FIRE COMPANY'S
50TH YEAR OF SERVICE

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 5, 2016

Mrs. COMSTOCK. Mr. Speaker, I rise to acknowledge the Sterling Volunteer Fire Company, which is celebrating its 50th year of service to the good citizens of the Sterling community this year. I would like to personally commend the courageous men and women who so selflessly volunteer themselves and put themselves in danger on behalf of neighbors, friends, and strangers, without asking anything in return. These brave citizens embody the very best of this nation's values through their service to our community and their exemplary performance in the line of duty.

The Sterling Volunteer Fire Company has grown exponentially since its inception in 1966, which at the time was little more than an old barn on Holly Avenue housing a single tanker and two used pumpers. Within a short two years, this small institution had flourished, now settled into two larger locations: Station 11, which it shares with the Sterling Volunteer Rescue Squad, as well as Station 18, also known as SVRS 25. Even more recently, the company expanded into Station 24 in 2013. This is a clear testament to the outstanding work which is conducted by these everyday heroes and they are deserving of recognition.

Mr. Speaker, it brings me immense pride to recognize such a fine group, and I sincerely hope that we all can live up to their tremendous example. I ask my colleagues to join me in congratulating the Sterling Volunteers. I wish them good luck and hope that they remain safe in the fulfillment of their future duties.

PERSONAL EXPLANATION

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 5, 2016

Mrs. HARTZLER. Mr. Speaker, on Tuesday, June 21, 2016, I was unable to vote due to a cancelled flight. Had I been present, I would have voted as follows:

On roll call no. 334, Yea.

On roll call no. 335, Yea.

On roll call no. 336, Yea.

IN RECOGNITION OF GUILFORD
ELEMENTARY'S 50TH ANNIVERSARY

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 5, 2016

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize Guilford Elementary School of Sterling, Virginia, on their 50th anniversary. This is an important milestone for this wonderful school in my District. Guilford Elementary School celebrated this anniversary in Loudoun County earlier this month on June 9th and it is my pleasure to briefly highlight the impact this school has had on my constituents.

Guilford Elementary School has a terrific history of success since first opening their doors in 1966. With the creation of Dulles Airport, this once rural space of Northern Virginia has developed into one of the most diverse and rapidly growing communities in the nation. Boasting one of the premier English as a Second Language (ESL) programs in the region, Guilford Elementary produces some of the highest test scores in the county. Equipped with top tier teachers and staff, this school has produced countless student success stories.

Coming from a family of educators, I understand how important a strong education is to the future of our nation. It is schools like Guilford Elementary that will continue to help shape the United States' role in the increasingly global economy, while also producing many of our nation's future leaders. Over the years, the faculty has shown an impressive dedication not only to its students, but to the Loudoun community as a whole. The success of this school is a tremendous accomplishment that should make past and present faculty proud.

Mr. Speaker, I ask that my colleagues join me in congratulating Guilford Elementary School for their half-century of serving children and their families. I wish them all the best in their future endeavors.

PERSONAL EXPLANATION

HON. SUZANNE BONAMICI

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 5, 2016

Ms. BONAMICI. Mr. Speaker, I was unable to attend votes on Tuesday, June 21, 2016 because my flight from Oregon was delayed because of inclement weather. Had I been present, I would have supported passage of H.R. 5389, Leveraging Emerging Technologies Act, and H.R. 5388, Support for Rapid Innovation Act, and I would have opposed H.R. 5525, End Taxpayer Funded Cell Phones Act.

The Leveraging Emerging Technologies Act and the Support for Rapid Innovation Act are commonsense bills that will make it easier for the Department of Homeland Security (DHS) to identify threats to cybersecurity and develop strategies to partner with industry to combat these cyber threats. Cybercrime is—and will continue to be—a serious threat to families, the United States economy, and our national security. I am proud to support two bills that will provide more tools for DHS to use when combating cybercrime.
